Offg. Senior Surgeon with the Government of
H. H. the Maharaja of ~~Mysore,~~ Bangalore.

To

The Chief Secretary to the Government of
H. H. the Maharaja of Mysore,
Bangalore.

Sir,

I have the honor to state that the clinical Laboratory of the Victoria Hospital was originally intended to serve the clinical needs of the Victoria Hospital. At present, however, practical demonstrations in Pathology and Bacteriology are held for the benefit of the students of the Medical School in the Laboratory and the building is found too small for the purpose. I therefore request that the Public Works Department may kindly be ordered to extend the Laboratory building by adding two wings to it, this work being taken up and completed as expeditiously as the extension of the Dissection Room, about which a reference has already been submitted to Government in this office letter No. C.139-2 dated 26th July 1920.

I have the honor to be,
Sir,
Your most obedient servant,

Offg. Senior Surgeon.
